

Education Conferences

Continue learning with us and embark on your education journey! We've made some changes that we think you'll be excited about. Check out all your Eyefinity® Learning opportunities.

Focus

Master your software with focused training on specific topics. We'll spotlight topics to help you improve workflow efficiency and save you time. Each Focus education conference offers an exciting new topic.

Medical Exams, Protocols, Auto Letters, and Consents

Orlando, FL • February 9 – 10
Eyefinity EHR

Billing and Material Orders

Rancho Cordova, CA • April 19 – 20, 2024
Eyefinity Practice Management

Billing and Material Orders

Rancho Cordova, CA • October 11 – 12, 2024
Eyefinity Practice Management

Connect

Get connected with your Eyefinity software and learn to master your software with a full lineup of courses. Enrich your mind with our keynote speaker Phernell Walker, MBA, ABOM, VP of Optometric Relations, and a course with COPE and ABO CE credit. You'll also benefit with the ability to select the courses you want to attend during day two of Connect, so you're empowered to choose the topics you want to learn. Pick from both Eyefinity EHR and Eyefinity Practice Management courses.

Basic and advanced product training for Eyefinity Practice Management and Eyefinity EHR, a CE course, and industry insights

Rancho Cordova, CA • June 28 – 29, 2024
Eyefinity EHR
Eyefinity Practice Management
