Each of the charge levels in Eyefinity EHR can be set up to correspond to a contact lens fitting fee in Eyefinity Practice Management. When charges are sent from Eyefinity EHR to Eyefinity Practice Management, the 92310 CPT code is appended with a number that represents the level the doctor selected. For example, when the doctor selects CL Lev 2 in Eyefinity EHR, item number 92310.2 is sent to Eyefinity Practice Management.

**NOTE** Only the 92310 CPT code appears on insurance claims.
