| 5:00 PM  | Dismissal                             |

For the EHR class we recommend both a laptop and an iPad as instruction includes training on both. It is possible for attendees to share devices. So, you may not need to bring one of each for each attendee.

Must be live with the software at least 30 days prior to attending the conference.
