

Did you know that professional websites receive more hits than Yellow Page advertisements?

IT'S TRUE!

Grab a pen, make your list, and check it twice:

- Purchase and build your eWeb Extra professional website before renewing your Yellow Pages listings for 2008
- Learn how to market your practice through your website:
Get your FREE copy of Eyefinity's eWeb Extra Marketing Guide to learn how to build and promote your website effectively
- Receive one hour of FREE one-on-one consulting from Eyefinity professionals who will guide you through the steps to build your website
- Attend a FREE training session, from the comfort of your office! "Webcasts" are scheduled for December 11 at 1:00 pm, or December 19 at 10:00 am, PST. Register for webcasts through the eLearn tab on the Eyefinity website (click on the link for Online Training and select the date and time you'd like to attend, and follow the steps to register for the webcast)
- Add Online Appointment Scheduling to your website, and give your patients the added convenience of booking appointments online!

Call Customer Care today!

The New Year is bound to bring in new insurance members, as their benefits take effect in early 2008. New patients will be looking for new providers ...

Be ready for them with your personalized professional website!

Obtain a professional website that includes:

- Your very own personalized website address for your practice
- Website hosting!
- Customizable templates: No graphic designer necessary!
- Up to five email addresses for your staff
- Online appointment scheduling
- A direct link to ReorderContacts.com

All for less than \$50 a month!
