

INCREASE PATIENTS. INCREASE REVENUE.

Attract new patients, boost customer retention, and free your staff to deliver the best patient care with Eyefinity.®

eWebExtra™ Practice Website

Your website is your single most important marketing tool. Give patients a seamless online experience with a customizable practice website from eWebExtra.

eWebExtra
INTEGRATES WITH
EYEFINITY PRACTICE
MANAGEMENT AND
OFFICEMATE.®

Online Patient Scheduling

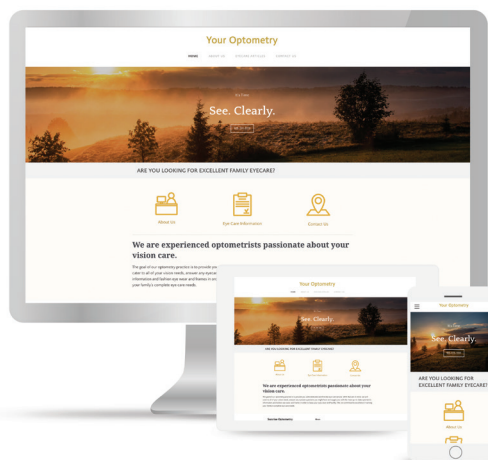

Offer patients the convenience and flexibility to search for available appointments and schedule on their time, and reduce the strain on your staff.

Online Patient Forms

Save time and reduce paper-based inefficiencies. Patients can securely enter their information online, and data is automatically saved in your Eyefinity practice management system.

Included with Your Eyefinity Cloud Platform

Receive eWebExtra at no additional cost as part of the cloud platform when you purchase Eyefinity EHR or Eyefinity Practice Management.
