EYEFINITY EHR DEMO

In just a year-and-a-half, Eyefinity EHR has more than one million exams filed! Check out the benefits our customers are enjoying. Plus, see first-hand how Eyefinity EHR uses adaptive “smart” technology to learn and adapt to the way you practice—saving valuable time and improving your patient experience.

ICD-10—BUILT-IN, NOT BOLTED ON

Transition to ICD-10 without the help of cheat sheets or manuals. From built-in auto-coding to claims processing, you’ll discover how Eyefinity solutions make your ICD-10 transition easier. See ICD-10 functionality in the following solutions: Eyefinity EHR, Eyefinity Practice Management, OfficeMate®, AcuityLogic™, and ExamWRITER®.

GET THE SKINNY ON UPGRADING TO THE CLOUD

You’ve probably heard a lot about practice management and EHR solutions in the cloud, but what’s so great about them? Find out if transitioning to the cloud is right for you and how it will affect your practice.

WHY PATIENT ENGAGEMENT IS THE KEY TO SUCCESS

Patient engagement is a hot topic, but it means something different to everyone. Discover how eWebExtra™ can increase appointments and patient satisfaction—and what that really means for you.

SUPPORT COMMUNITY: AN ONLINE COMMUNITY DESIGNED FOR YOU

See the new online community everyone’s talking about. The Eyefinity Support Community works to give your practice extra support, access to your peers, and helps you find answers to your Eyefinity product questions. Learn how the support community can work for you.

GATEWAY PROFESSIONAL NETWORK (GPN): WHAT YOU MUST KNOW ABOUT YOUR PRACTICE

The EDGE® has successfully integrated with OfficeMate for several years. Learn how GPN™ and Eyefinity have collaborated to further support your success through a new dashboard in OfficeMate, powered by The EDGE. See why this information is crucial to your business decisions and hear best practices for leveraging this knowledge.

SOLUTIONREACH: STRENGTHEN YOUR PRACTICE WITH EFFECTIVE PATIENT COMMUNICATION

The importance of effective patient communication is often overlooked. Gain insights into the latest tools that will keep you connected to your patients and give them every reason to stay loyal to your practice.

TOTAL MERCHANT SERVICES: FOCUS ON A TOTAL SOLUTION

Is your practice ready for upcoming Europay, MasterCard, and Visa (EMV) industry changes? Total Merchant Services’ state-of-the-art credit card processing is EMV-capable and offers the highest standard of security and fraud protection.

TRIZETTO GATEWAY EDI: BEST PRACTICES TO GET PAID RIGHT AND RIGHT NOW

See how Eyefinity and Trizetto Gateway EDI deliver revenue tools that reduce costs and administrative hassles, provide fast and accurate claims, and improve reimbursements.
